

PathWays PA Welcome Kits

Thanks to your help, each member of a new PathWays PA client family is greeted with a welcome kit, providing them with basic necessities such as bedding, socks, toiletries, etc., that these families cannot afford on their own right now. These kits help families begin their new life with something to call their own.

Attached are checklists for welcome kits tailored for mothers, teens, children and babies as well as packaging and labeling instructions. The checklist is for you to keep for your shopping convenience. When you have completed the form below, please send it to:
