

PathWays PA accepts new families into its programs every day of the year. Our new Holiday Kits are helping to ensure that families that arrive in mid- and late December have an opportunity to experience the joy of the holidays, regardless of when they enroll in services.

Attached are checklists for holiday kits tailored for mothers, children, babies, and teens as well as packaging and labeling instructions. The checklist is for you to keep for your shopping convenience. These checklists are meant to be guidelines, please feel free to be creative in your purchases. When you have completed the form below, please send it to:
